My dear Colonel,

The Foreign Dept. at first proposed to retain a number of the tents purchased for the Foreign and Administration Camp at Delhi as it was believed they would be required when the Office moved to Delhi in the cold weather. The decision however, since arrived at to take only a small office to Delhi and the fact that buildings for the Office and Establishment have been

arranged for, render the
relinquishment of the lands un-
necessary.

2. I am desired to send
herewith a list of the lands

to enquire whether the Mysore

-chase them.

3. The original price paid
to the Cawnpore Cotton Mills

manufactured and delivered
by them last October, is en-
tered in the list. If the Dunbar
are willing to purchase the
lot, they could have them
at 40% of the cost prices or

or roughly for Rs. 18,000.

4. The leads have been carefully stored in the old magazine at Delhi.

Sir,

In reply to your letter No. G 850 / G.M.128.11.62, dated the 12th August 1912, I have the honour to say that I have had very careful search and inquiries made: no trace can be found of the articles quoted as missing and both the officer in charge of my furniture stores division and the tindal in charge of the Govern-ment of India in the Foreign Department assert confidently that the tents were despatched complete in every particular. I see no reason to doubt the accuracy of this and, as the Railway authorities appear to have opened the locked truck on their own responsibility, I presume that they will hardly attempt to deny liability for the missing articles.

The sum of Rs. 14-8-0 remitted by money order has been received safely.

Sir,

With reference to your letter No.G.1850/G.M.128-11-69 of 24th September 1912, this consignment of tents was booked via Guntakal and on enquiry I find that the contents of the broad gauge wagon were carefully transhipped into two metre gauge wagons.

The consignment was booked as one wagon of tents - no details being given, and the contents were delivered as such at Bangalore. Responsibility for any shortage cannot therefore rest with the Railway.

I regret the transhipment was necessary, but this was unavoidable.
